## (Oral Presentations)

### OR01 Mental health of child and adolescent related with immigration, adoption and refuge

**Time: 16:00-17:30**  
**Venue: 301A**

*Chair: Andres Martin (United States)*  
*Co-chair: Dong-Hyun Ahn (Asia)*

OR01-001 Migration background as a contextual risk factor for psychiatric disorders in children and adolescents: A retrospective analysis in a population on demand for mental health services  
*Florian Daniel Zepf (Germany)*

OR01-002 Cultural barriers in diagnosing young Asian immigrants  
*Chohye Park (New Zealand)*

OR01-003 The behavior problems and family risk factors of children with national immigrated parents in Shanghai  
*Baolong Zhao (Asia)*

OR01-004 Intercultural adoption: Care brings cure  
*Annik Lampo (Belgium)*

OR01-005 Complex trauma in foster children  
*Caroline S. Jonkman (Netherlands)*

OR01-006 Psychological evaluation of refugee children and parental interviews  
*Gunilla Jarkman Björn (Sweden)*

### OR02 Forensic and legal issues in child and adolescent mental health

**Time: 16:00-17:30**  
**Venue: 301B**

*Chair: John B. Sikorski (United States)*  
*Co-chair: Cornelio Banaag (Asia)*

OR02-007 Adolescent-victim or perpetrator  
*Vojislav Curcic (Serbia)*

OR02-008 Punitive incarceration or corrective seclusion: A critical review of the state of Nigeria's juvenile justice system  
*Olayinka Atilola (Nigeria)*

OR02-009 Autism Spectrum Disorders in the forensic context: Seven precedents in Japan  
*Ken Takaoka (Asia)*

OR02-010 Forensic evaluation of sexual abuse cases: A sample from Turkey  
*Nese Perdahli Fis (Turkey)*

OR02-011 Family problems and violence tendency at 14-17 age of Turkish adolescent  
*Fadime Bayri Bingol (Turkey)*

### OR03 Interaction between child and parent on mental health

**Time: 16:00-17:30**  
**Venue: 302A**

*Chair: Wei-Tsuen Soong (Asia)*  
*Co-chair: Xuerong Luo (Asia)*

OR03-012 Factors associated to distressed mother-baby and father-baby relationships at four months of age: A Brazilian survey  
*Olga Garcia Falceto (Brazil)*

OR03-013 Interparental conflict and child adjustment: The indirect effect of parenting  
*Li-Yu Shyu (Asia)*

OR03-014 Child aggression towards parents-associated factors  
*Chandanie Hewage (Asia)*

OR03-015 Parental spirituality and child rearing practices in Indian children  
*Nitin Anand (Asia)*

OR03-016 Child mental health prevention in the context of adult medicine: Caring for children of cancer patients  
*Birgit Moeller (Germany)*

### OR04 Children of parents with mental illness and other problems of care

**Time: 16:00-17:30**  
**Venue: 302B**

*Chair: Joaquin Fuentes (Spain)*  
*Co-chair: Sadaaki Shirataki (Asia)*

OR04-017 Child development concept of outpatients in a psychiatric clinic  
*Pei-ning Chiou (Asia)*

OR04-018 Sensitive and insightful care-giving of the mother as predictors of organized attachment in infancy in the context of maternal mental illness

*Brigitte Ramsauer (Germany)*

OR04-019 Disruptions and needs in the lives of the 'Invisible' children of patients with mental illness admitted into a psychiatric hospital in Lagos, Nigeria

*Increase Adeosun (Nigeria)*

OR04-020 Maternal attachment in the context of post partum mental illness predicts the organization of infant-mother attachment

*Brigitte Ramsauer (Germany)*

OR04-021 Psychiatric consultation and somatic health in relation to experience of parental divorce in childhood

*Marie Wadsby (Sweden)*

OR04-022 Supporting the neonatal intensive care parent-research into parental supports and perceptions of the intensive care experience in Australia

*Melanie Turner (Australia)*

### OR05 Attachment, temperament and child and adolescent mental health

**Time: 16:00-17:30**  
**Venue: 303A**

*Chair: Luis A. Rohde (Brazil)*

*Co-chair: Sze Tai Wong (Asia)*

OR05-023 Detached from attachment: Problems with current psychiatric nosology

*Peter Parry (Australia)*

OR05-024 Family function and parental attachment of children with Tic Disorders

*Mingxin Zhan (Asia)*

OR05-025 Agreement between adolescent and parental perception of attachment in a sample of mainly depressed adolescents from the general population

*Tea Agerup (Norway)*

OR05-026 The psychological, emotional and social needs of children growing up in the orphanages

*HO Hoay Teen (Asia)*

OR05-027 The association study of temperament, behavior and sensory function in preschool children

*Wei Zhen (Asia)*

### OR06 Impact of risk factors in the early stage of life cycle on cognitive development and mental health

**Time: 16:00-17:30**

**Venue: 303B**

*Chair: Suzanne Dean (Australia)*

*Co-chair: Minjie Wang (Asia)*

OR06-028 Prospective study: Impact of gene-environment interaction on infants' development and construction of biomathematic model

*Yong Zhang (Asia)*

OR06-029 Prematurely born children's and their mothers' endocrine responses to separation: The effect of attachment and of an intervention program

*Blaise Pierrehumbert (Switzerland)*

OR06-030 Adult psychiatric outcomes for very low birth weight survivors: Exploring mechanisms of risk and vulnerability over time

*Elizabeth Westrupp (Australia)*

OR06-031 Cognitive impairment and psychopathology in low-risk preterm children

*Carme Costas-Moragas (Spain)*

OR06-032 The prevalence and risk factors of mental health disorders in preschool age-a Danish general population study of children 5-7 years of age in The CCC2000 birth cohort.

*Hanne Elberling (Denmark)*

OR06-033 Childhood dependence on authority and its impact on adult relationships: The seven deadly sins, or the seven wonders of the world

*George Shapiro-Weiss (United States)*

# Thursday, June 3, 2010

## (Oral Presentations)

### OR07 Impact of social and culture factors on child and adolescent mental health

**Time: 16:00-17:30**  
**Venue: 305**

*Chair: Felice Lieh Mar (Asia)*  
*Co-chair: Linyan Su (Asia)*

- OR07-034 Macro-social determinants of mental health  
*Lynn Todman (United States)*
- OR07-035 Cultural sensibility: A process-oriented approach to culture within a developmental framework  
*Ni Liu (United States)*
- OR07-036 Quality of life differences among African American, Hispanic, and white boys and girls in a community sample when controlling for socio-demographic status  
*Jan Wallander (United States)*
- OR07-037 Psychosocial determinants of poly-victimization in adolescents: Impact on internalizing and externalizing disorders  
*Christelle Roustit (France)*
- OR07-038 America's youngest kindergarteners' elevated levels of internalizing problems at school entry and beyond: Evidence from the early childhood longitudinal study (ECLS)-kindergarten to fifth grade  
*Guang Zeng (United States)*
- OR07-039 Normative data and psychometric properties of the CBCL and TRF in an Iranian community sample  
*Mehdi Tehrani-Doost (Asia)*

### OR08 Genetics and other issues in ADHD

**Time: 16:00-17:30**  
**Venue: 306A**

*Chair: Yoshiro Ono(Asia)*  
*Co-chair: Yufeng Wang(Asia)*

- OR08-040 Association between catechol-O-methyltransferase gene polymorphisms and working memory/inhibition of Attention Deficit Hyperactivity Disorder in Han Chinese subjects  
*Haimei Li (Asia)*

- OR08-041 Association between norepinephrinergic genes and Attention-Deficit/Hyperactivity Disorder in Han Chinese subjects  
*Lu Liu (Asia)*
- OR08-042 The DBH-1021 C/T polymorphism is associated with stroop word-color task performance among Chinese Han ADHD children  
*Ning Ji (Asia)*
- OR08-043 Variants of the SLC6A3 (DAT1) polymorphism differentially affect performance monitoring-related cortical evoked potentials that are associated with ADHD  
*Monika Althaus (Netherlands)*
- OR08-044 Association between norepinephrine transporter gene polymorphisms and working memory of Attention-Deficit/Hyperactivity Disorder in Han Chinese subjects  
*Lu Liu (Asia)*
- OR08-045 Novelty seeking, risk, creativity and Attention Deficit Hyperactivity Disorder  
*Michael Fitzgerald (Ireland)*
- OR08-046 Association between synapse-associated protein and Attention Deficit Hyperactivity Disorder in Han Chinese subjects  
*Yun Chen (Asia)*

### OR09 School mental health: Model for prevention and intervention

**Time: 16:00-17:30**  
**Venue: 306B**

*Chair: Jean-Philippe Raynaud (France)*  
*Co-chair: Yasong Du(Asia)*

- OR09-047 School mental health: Partnership model  
*Sameer Malhotra (Asia)*
- OR09-048 Fast Netherlands: The cross cultural transfer of an evidence based intervention  
*Henrikje Klasen (Netherlands)*
- OR09-049 An integrated pathway to care-a comprehensive school mental health model  
*Yifeng Wei (Canada)*

# Thursday, June 3, 2010

## (Oral Presentations)

OR09-050 Survey on awareness of primary and middle school teachers about Attention Deficit Hyperactivity Disorder in Shanghai  
*Wenlan Jin (Asia)*

OR09-051 Psychometric instruments used for assesment of children with psychiatric disorders school performance  
*Roxana Sipos (Romania)*

OR09-052 Chinese rear children of self-consciousness in the countryside  
*Meng Jia (Asia)*

OR09-053 The study about relationship between the coping style and self-consciousness of rural middle school students  
*Meiling Yao (Asia)*

OR09-054 Impact of a skill-based mental health program on prevention of behavior problems on elementary school children in China  
*Hong Lin (Asia)*

### OR10 Updates on neurophysiology in mental disorders

**Time: 16:00-17:30**  
**Venue: 307A**

*Chair: Amira Seif El Din (Egypt)*  
*Co-chair: Soo-Churl Cho (Asia)*

OR10-055 The conflict regulation in adolescents with anxiety disorder: An ERP Study  
*Jinsong Zhang (Asia)*

OR10-056 Awareness surrounding errors in children and adults with ADHD: An event-related potential study  
*Jan Wiersema (Belgium)*

OR10-057 Characteristic changes and clinical significance of somatosensory evoked potential in children with Tourette's Syndrome  
*Jun Jiang (Asia)*

OR10-058 Autonomic regulation in adolescent females with Anxiety Disorders and Major Depressive Disorder  
*Eva Henje Blom (Sweden)*

OR10-059 Autonomic activity in Chinese children with Attention-Deficit/Hyperactivity Disorder  
*Hsing-Fang Tsai (Asia)*

OR10-060 Specific effects of neurofeedback on impulsivity in ADHD-behavioral and ERP-evidence  
*Ewa Cionek-Szpak (Poland)*

### OR11 Changes of neurochemistry and neuroendocrinology related with mental health

**Time: 16:00-17:30**  
**Venue: 307B**

*Chair: Samuel Tyano (Asia)*  
*Co-chair: Savita Malhotra (Asia)*

OR11-061 The Brain-Derived Neurotrophic Factor (BDNF) as markers of high risk of structural cerebral affection in neonates from intrauterine hypoxia and intranatal asphyxia  
*Viktorija Shveykina (Ukraine)*

OR11-062 Children and adolescents with psychotic and mood disorders and level of homocysteine  
*Laura Kevere (Latvia)*

OR11-063 Hydrogensulfide in psychiatric disorders  
*Hans-Willi Clement (Germany)*

OR11-064 Antioxidative capacity in lps treated mice  
*Hans-Willi Clement (Germany)*

OR11-065 Investigation of serum brain derived neurotrophic factor levels in depressed children and adolescents aged 12 to 18 years  
*Erman Esnafoglu (Turkey)*

OR11-066 Free radical formation after lps in NOX2 gp91phox deficient mice  
*Hans-Willi Clement (Germany)*

OR11-354 Balanced dopamine is critical in pattern completion during associative memory recall  
*Fei Li (Asia)*

### OR12 Understanding ADHD from the latest studies of brain imaging

**Time: 16:00-17:30**  
**Venue: 309A**

*Chair: Kang-E Michael Hong (Asia)*  
*Co-chair: Yufeng Zang (Asia)*

OR12-067 Altered hemisphere anatomical asymmetry in children with Attention Deficit/Hyperactivity Disorder: A voxel-based morphometry study  
*Qingjiu Cao (Asia)*

# Thursday, June 3, 2010

## (Oral Presentations)

**OR12-068** Preliminary report of white matter abnormalities of adolescent females with Attention Deficit Hyperactivity Disorder: A diffusion tensor imaging study  
*Ying-Sheue Chen (Asia)*

**OR12-069** Abnormal functional connectivity between anterior cingulate and the default mode network in drug-naïve boys with Attention Deficit Hyperactivity Disorder  
*Li Sun (Asia)*

**OR12-070** Diffusion tensor imaging study of white matter fiber tracts in adolescents with Attention-Deficit/Hyperactivity Disorder  
*Pin-chen Yang (Asia)*

**OR12-071** A functional MRI study of ADHD children with and without impulsivity  
*Fei Li (Asia)*

**OR12-072** Abnormal baseline brain activity of default mode network in boys with Attention Deficit Hyperactivity Disorder: A resting-state functional MRI study  
*Li An (Asia)*

### OR13 Exploring mental disorders from neuroimaging studies

**Time: 16:00-17:30**  
**Venue: 309B**

*Chair: Phyllis Cohen (United States)*  
*Co-chair: Daniel Fung (Asia)*

**OR13-073** The loss of asymmetry and reduced interhemispheric connectivity in adolescents with Autism Spectrum Disorders: Preliminary results using diffusion spectrum imaging tractography  
*Susan Shur-Fen Gau (Asia)*

**OR13-074** Change in the anterior corpus callosum critical to autistic disorder, evidence from magnetic resonance imaging and diffusion tensor tractography  
*Xiaoyan Ke (Asia)*

**OR13-075** White matter abnormalities in childhood and adolescent obsessive compulsive disorder  
*Rajan Nishanth Jayarajan (Asia)*

**OR13-076** Reduced bilateral anterior cingulate and parietal postcentral gyrus volumes in medication-naive adolescents with Major Depression Disorder: A brief report of a voxel-based morphometric MRI study  
*Jun Ding (Asia)*

**OR13-077** Disrupted CSTC circuit in children with Tourette Syndrome revealed by diffusion tensor imaging  
*Xiaoqi Huang (Asia)*

**OR13-078** Neural response of affective processing in adolescents with Major Depressive Disorder: An fMRI research  
*Jun Ding (Asia)*

**OR13-079** Aberrant default mode functional connectivity in early onset schizophrenia  
*Jinsong Tang (Asia)*

### OR14 The latest progress of genetics in child and adolescent mental disorders

**Time: 16:00-17:30**  
**Venue: 310**

*Chair: Barry Nurcombe (Australia)*  
*Co-chair: Marie Rose Moro (France)*

**OR14-080** Association between the polymorphism of DRD4exonIII48bp VNTR and executive function in Han Chinese children with Tourette's Syndrome  
*Weidong Ji (Asia)*

**OR14-081** Association study between DAT1 gene 40bp VNTR and Tourette Syndrome phenotypes and curative effects  
*Fan He (Asia)*

**OR14-082** Factor analysis of childhood onset obsessive-compulsive disorder: Symptom dimensions and association analysis with the serotonin transporter gene  
*Eszter Kenezloi (Hungary)*

**OR14-083** Study on single nucleotide polymorphisms (SNPs) of TPH2 of impulsive behavior in children  
*Changhong Wang (Asia)*

**OR14-084** Social and emotional problems and language impairments in children with 22q11.2 deletion syndrome  
*Inger-Lise Sæther (Norway)*

**OR14-085** The association between the C270T polymorphisms of brain-derived neurotrophic factor gene and entricular enlargement as well as minor physical anomalies in childhood schizophrenia  
*Suqin Guo (Asia)*

# Friday, June 4, 2010

## (Oral Presentations)

### OR15 Issues related to sex offending and abuse

**Time: 16:00-17:30**  
**Venue: 301A**

*Chair: Luk Siu-Luen (Asia)*  
*Co-chair: Aili Hashim (Asia)*

- OR15-086 The psychosomatic complains and bullying behavior in secondary school students in Poland  
*Mirosław Dabkowski (Poland)*
- OR15-087 Adolescents delinquent behavior as a consequence of abuse  
*Valetina Badmaeva (Russia)*
- OR15-088 Characteristics of sexual offenders against children and adolescents in Turkey  
*Esra Ozdemir (Turkey)*
- OR15-089 Sex offenders in Malaysian Prisons-What do we know of them and its implication for treatment?  
*Aili H Hashim (Asia)*
- OR15-090 Working towards ending child sexual abuse in Turkey: Bilgi Açık Kapı  
*Ayten Zara Page (Turkey)*

### OR16 Chronic illness and child and adolescent mental health

**Time: 16:00-17:30**  
**Venue: 301B**

*Chair: Young-Sik Lee (Asia)*  
*Co-chair: Yi Huang (Asia)*

- OR16-091 Prediction of psychological adjustment in children with chronic illness and their families depending on a conceptual model based on systems perspective and social-ecological approach  
*Ilgin Gokler-Danisman (Turkey)*
- OR16-092 Psychiatric co-morbidity has a negative impact on quality of life in epileptic adolescents  
*Erdem Beyoglu (Turkey)*
- OR16-093 Parental rearing patterns and behaviors of children with asthma  
*Wei Wang (Asia)*

OR16-094 Correlates for parental and child adjustment among children and adolescents with epilepsy  
*Fang-Ju Tsai (Asia)*

OR16-095 The impact of sense of self consciousness and low self esteem to quality of life in Acne patient  
*Andri Andri (Asia)*

OR16-096 The emotional distress of elementary school-aged children and the parenting stress of their mothers prior to the surgery  
*Joosik Won (Asia)*

OR16-097 Psychiatric status of children and adolescents with chronic heart disorders: A comparative study  
*Elham Shirazi (Asia)*

### OR17 Risk factors and other issues related to child and adolescent mental health

**Time: 16:00-17:30**  
**Venue: 302A**

*Chair: Ernesto Caffo (Italy)*  
*Co-chair: Lanting Guo (Asia)*

- OR17-098 Familial and socio-economic risk factors for child and adolescent psychopathology in the context of 20 years of changes from Romania  
*Laura Mateescu (Romania)*
- OR17-099 Risks and assets model of children's mental health, adaptive functioning and academic performance  
*Bernardine Siew Choo Woo (Asia)*
- OR17-100 Is the maternal prenatal examination associated with the utilization of child preventive health service? A cross-cultural prospective  
*Hao-Jan Yang (Asia)*
- OR17-101 Assessment the prevalence of depression in adolescents 12-14 years old in Bushehr  
*Mahasty Ganjoo (Asia)*
- OR17-102 An epidemiology study of Personality Disorder among senior high school students in Beijing  
*Yueqin Huang (Asia)*
- OR17-103 Understanding children's unconscious burdens: Transgenerational transmission of unresolved trauma in families (case study)  
*Georg Romer (Germany)*

# Friday, June 4, 2010

## (Oral Presentations)

### OR18 Coping with challenge in child and adolescence mental health: Risky behavior, associated factors and intervention

**Time: 16:00-17:30**  
**Venue: 302B**

*Chair: Xuerong Luo (Asia)*  
*Co-chair: Zhenyu Hu (Asia)*

- OR18-104 Children fighters in Iraq  
*Mohammed Lafta (Asia)*
- OR18-105 Mental health risks and risky behaviours among working children in Southwest Nigeria  
*Olurotimi Adejumo (Nigeria)*
- OR18-106 Risk-taking behaviors and physical traumas of adolescents admitted in orthopaedic department  
*Aurelie Bach (France)*
- OR18-107 Relationship between poly-victimization and behavioral problems of adolescents in China  
*Feng-lin CAO (Asia)*
- OR18-108 Study of severity and frequency of aggression and associated factors in adolescents with mental retardation  
*Hsin-Yi Liang (Asia)*
- OR18-109 Efficacy of anger management training programme in a delinquent adolescent sample  
*Özlem Özbay (Turkey)*
- OR18-110 Non-suicidal self-injury in borderline adolescents: Does it make difference?  
*Ludovic Gicquel (France)*

### OR19 Updates on neuro-psychology in ADHD and other related issues

**Time: 16:00-17:30**  
**Venue: 303A**

*Chair: Brian Robertson (South Africa)*  
*Co-chair: Xinming Jin (Asia)*

- OR19-111 Inhibitory control in children with Attention Deficit and Hyperactivity Disorder: Analysis through nepsy II battery  
*Tatiana D'Ambrogio (Italy)*

- OR19-112 The impact of inattentive symptoms on Chinese achievement: An exploration of working memory mediated model  
*Chien-Ho Lin (Asia)*

- OR19-113 Emotional recognition, theory of mind and social adjustment in children with Attention Deficit and Hyperactivity Disorder  
*Valentina Nanni (Italy)*

- OR19-114 Correlation between impulsivity and execute function in children with Attention Deficit Hyperactivity Disorder  
*Yaoguo Geng (Asia)*

- OR19-115 Observation of behavioral problems in an animal model of ADHD  
*Tong Xu (Asia)*

- OR19-116 Catechol-O-Methyltransferase Val158Met Polymorphism is associated with methylphenidate response in Chinese Han ADHD children  
*Li Yang (Asia)*

### OR20 PTSD: Development and characters of symptoms and other related issues

**Time: 16:00-17:30**  
**Venue: 303B**

*Chair: Andreas Warnke (Germany)*  
*Co-chair: Yixin Chen (Asia)*

- OR20-117 The development of child symptoms following exposure to a psychological trauma  
*Takuya Saito (Asia)*

- OR20-118 Survey on the distribution rule of symptom in PTSD children a year after earthquake  
*Shuzhen Liao (Asia)*

- OR20-119 Discrepancy between the parents' and the child's perception of the child's distress: Its importance in pediatric traumatic stress.  
*Fortu Benarroch (Asia)*

- OR20-120 Children's experiences and their caregivers' responses after the 5.12 earthquake in Beichuan  
*Wenhong Cheng (Asia)*

# Friday, June 4, 2010

## (Oral Presentations)

**OR20-121** The role of pain in pediatric posttraumatic stress following accidents

*Els PM van Meijel (Netherlands)*

**OR20-122** Case study: How does bereaved mother adjust the loss of beloved child?

*Sio-Meng Lei (Asia)*

**OR20-123** Oxytocin response to an experimental psychosocial challenge in adults exposed to traumatic experiences during childhood or adolescence

*Blaise Pierrehumbert (Switzerland)*

### **OR21 Current issues on ASD: Screening, diagnosis, intervention and impact on parents**

**Time: 16:00-17:30**

**Venue: 305**

*Chair: Bryna Siegel (United States)*

*Co-chair: Zhiwei Yang (Asia)*

**OR21-124** Autism spectrum disorders: Review of diagnosis, assessment and psychopharmacology treatment interventions

*Alice Mao (United States)*

**OR21-125** A Study of tested behavior in 70 autistic children

*Guobin Wan (Asia)*

**OR21-126** Behavioral problems and their relationships with autistic symptoms in children with Autism, unaffected siblings and controls

*Yen-Nan Chiu (Asia)*

**OR21-127** Intensive, collateral parent-child training for autistic spectrum disorders: The jumpstart learning-to-learn model

*Bryna Siegel (United States)*

**OR21-128** Depression and health related quality of life in mothers of children with Autism and Sickle Cell Disease in Nigeria

*Mashudat Bello-Mojeed (Nigeria)*

**OR21-129** Anxiety, Depression and burden in mothers of children with chronic childhood conditions: A comparison between Autism and Sickle Cell Disease

*Mashudat Bello-Mojeed (Nigeria)*

**OR21-130** Japan-China comparative research related to early symptoms of children with Autism for development of early

*Xiaohui Yu (Asia)*

### **OR22 Emotional expressive and receptive characters in mental disorders**

**Time: 16:00-17:30**

**Venue: 306A**

*Chair: Kari Schleimer (Sweden)*

*Co-chair: Mohammad S I Mullick (Asia)*

**OR22-131** Emotion processing in children with disruptive behavioral disorder and ADHD

*Jingjing Han (Asia)*

**OR22-132** Lower sensitivity to facial expressions of anger and happiness in the adolescents with borderline personality disorder

*Marion ROBIN (France)*

**OR22-133** A research on characteristics of facial expression cognition in children with Asperger Syndrome

*Jia Guo (Asia)*

**OR22-134** A developmental analysis of the emotion recognition ability in mild intellectually disabled students

*Laaya Bashash (Asia)*

**OR22-135** The characteristics of Chinese static facial expressions recognition and emotion attribution in children with Autism

*Liping Gu (Asia)*

### **OR23 Cultural factors in psychological measurement and intervention to children with mental problems**

**Time: 16:00-17:30**

**Venue: 306B**

*Chair: John Fayyad (Asia)*

*Co-chair: Jintong Liu (Asia)*

**OR23-136** Cultural factors in the use of the CBCL and conners scale in assessing Asian and Caucasian children in the clinical setting

*Shirley Liu (United States)*

# Friday, June 4, 2010

## (Oral Presentations)

OR23-137 Cross-cultural comparison with Rey Figure Test  
*Muriel Bossuroy (France)*

OR23-138 Dissemination of an evidence-based intervention to parents of children with behavioral problems in a developing country  
*John A Fayyad (Asia)*

OR23-139 An under fives' counseling service in Taiwan-- Psychoanalytic-oriented therapeutic counseling of suffering infants and their families  
*Ju-Chin Lee (Asia)*

OR23-140 A survey on symptomatology of a school-based mental health service program over 15 years in Taiwan  
*Chen-Hsien Sung (Asia)*

OR23-141 A study of short term weight changes with risperidone in children and adolescents  
*Maikandaan C J (Asia)*

### OR24 Impart of trauma on child and adolescence: Neuro-psychological function and symptom characters

Time: 16:00-17:30  
Venue: 307A

Chair: *Fusun Çuhadaroğlu Çetin (Turkey)*  
Co-chair: *Chin Lee Toh (Asia)*

OR24-143 Executive function in children and adolescents with posttraumatic stress disorder 4 and 12 months after the Sichuan earthquake  
*Rui Yang (Asia)*

OR24-144 Psychometric properties of the children's revised impact of event scale for children from earthquake affected areas  
*Mingjing Si-tu (Asia)*

OR24-145 Self-reported potentially traumatic life events and symptoms of post-traumatic stress and dissociation  
*Carl Göran Svedin (Sweden)*

OR24-146 Traumatic impact on the young mind in response to disasters: An approach to psychosocial intervention  
*Murad Bakht (Canada)*

OR24-147 The correlation study between life events and coping strategies of left-behind junior middle school students in rural area  
*Xia Liu (Asia)*

OR24-148 The trauma discourse and its implications for refugees and professionals-examples from work with Bosnian and Kosovar refugee families in Germany  
*Birgit Moeller (Germany)*

### OR25 Assessment strategy for developmental disabilities

Time: 16:00-17:30  
Venue: 307B

Chair: *Elena Garralda (United Kingdom)*  
Co-chair: *Guobin Wan (Asia)*

OR25-149 Screening for developmental delays in young Asian children: How useful is the peds?  
*Jennifer Kiing (Asia)*

OR25-150 Assessment of needs of children with intellectual disability in Lagos, Nigeria  
*Niran Okewole (Nigeria)*

OR25-151 Assessment of needs of caregivers of children with intellectual disability in Lagos, Nigeria  
*Niran Okewole (Nigeria)*

OR25-152 Assessment of behavior patterns in mentally retarded persons  
*Sana Ali (Asia)*

OR25-153 A study on reliability and validity of child development screening scale  
*Guobin Wan (Asia)*

OR25-154 The study on Chinese affective picture assessment for Chinese children  
*Jinsong Zhang (Asia)*

# Friday, June 4, 2010

## (Oral Presentations)

### OR26 Underlying mechanism of Autism Spectrum Disorders

**Time: 16:00-17:30**  
**Venue: 308**

*Chair: Olayinka Omigbodun (Nigeria)*  
*Co-chair: Portia Portia Valles-Luspo (Asia)*

- OR26-155 Parental age and the risk for pervasive developmental disorders in a Swedish population  
*Selma Idrizbegovic (Sweden)*
- OR26-156 Positive association between tryptophan 2, 3 dioxygenase gene polymorphism and autistic disorder in Chinese Han population  
*Gongkai Jiao (Asia)*
- OR26-157 Theory of mind based socio-emotional study of the high-functioning Asperger Syndrome  
*Dong-Ho Song (Asia)*
- OR26-158 Testing the fractionable Autism triad hypothesis further: Evidence from a general population twin sample at age 12  
*Elise Robinson (United States)*
- OR26-159 Analysis of trace elements in the whole blood from 50 cases of childhood Autism
