

SP01 Meeting authors of the Beijing IACAPAP book: Increasing awareness of child and adolescent mental health

Time: 10:30-12:00
Venue: 311A

Chair: *Jean-Philippe.Raynaud (France)*
Co-chair: *Elena Garralda (United Kingdom)*

- SP01-01 The boundaries of Attention-Deficit/Hyperactivity Disorder
Luis Augusto Rhode (Brazil)
- SP01-02 Development of child mental health services in central and Eastern Europe
Dainius Puras (Lithuania)
- SP01-03 One-child policy and child mental health
Yi Zheng (Asia)
- SP01-04 PTSD in mothers coping with trauma in their children
Jean-Philippe.RAYNAUD (France)

SP02 Child mental health: Public health perspective

Time: 10:30-12:00
Venue: 311B

Chair: *Savita.Malhotra (Asia)*

- SP02-01 Child mental health from public health perspective
Pratap Sharan (Asia)
- SP02-02 School mental health
Manju Mehta (Asia)
- SP02-03 Existing community approaches in child mental health care: Asian perspective
Rachna Bhargava (India)
- SP02-04 National Mental Health Programme (NMHP) in India
Rajesh Sagar (Asia)
- SP02-05 Child mental health: Police perspectives
Savita.Malhotra (Asia)

SP03 Towards advocacy action in striving to improve child and adolescent mental health: Pathways to aims and arguments

Time: 10:30-12:00
Venue: 310

Chair: *Suzanne.Dean (Australia)*

- SP03-01 Key experiences in advocacy for child and adolescent mental health: A historical review
Myron Belfer (United States)
- SP03-02 Focus on funding: How can economic arguments support human rights and humanitarian advocacy for child and adolescent mental health?
Suzanne.Dean (Australia)
- SP03-03 Advocating children's mental health care: Building partnerships and a systemic approaches
David DeMaso (United States)
- SP03-04 Engaging with governments to improve policy and resources for mental health: Challenges and possible solutions
Chris Smale (Australia)

SP04 Infant mental health (WAIMH)

Time: 10:30-12:00
Venue: 309A

Chair: *Sam YANO (Asia)*

- SP04-01 From infancy to school-age: Follow up of children once treated in an infant mental health clinic
Miri Keren (Asia)
- SP04-02 A special treatment programme for traumatized children
Tamminen Tuula (Finland)
- SP04-03 Helping young children cope with trauma
Joy D. Osofsky (United States)
- SP04-04 Lessons learned about resilience and recovery in children following a major disaster
Howard J. Osofsky (United States)

WS01 Multicultural assessment

Time: 10:30-12:00
Venue: 309B

Chair: *Thomas Achenbach (United States)*

- WS01-01 Using multicultural research findings to advance clinical services for 6-to 18-year-olds
Thomas Achenbach (United States)

WS02 Workshop on treatment planning: Children need more than categorical diagnoses

Time: 10:30-12:00
Venue: 307A

Chair: *Gordon Harper (United States)*

- WS02-01 Workshop on treatment planning: Children need more than categorical diagnoses
Gordon Harper (United States)

SP05 The promise and potential pitfalls of telepsychiatry

Time: 10:30-12:00
Venue: 307B

Chair: *Eva Ihle (United States)*

- SP05-01 "What the health?" A website dedicated to adolescent well-being
Kim Norman (United States)
- SP05-02 The soldiers' project: An on-line course to facilitate reintegration of military combat veterans
Eva.Ihle (United States)
- SP05-03 Website program for protecting children after disaster in China
Wenhong Cheng (Asia)

WS03 Cross-cultural competency in child and adolescent psychiatry and allied professions

Time: 10:30-12:00
Venue: 306A

Chair: *Norbert. Skokauskas (Ireland)*

- WS03-01 Cross-cultural competency in child and adolescent psychiatry and allied professions
Norbert.Skokauskas (Ireland)

- WS03-02 Communication across cultural divides
Ayesha I. Mian (United States)

SP06 Breaking barriers & building bridges for Child and Adolescent Mental Health (CAMH) in Africa

Time: 10:30-12:00
Venue: 306B

Chair: *Olayinka.Omigbodun (Nigeria)*

- SP06-01 Activities and services for child and adolescent mental health In Morocco, North Africa
Benjelloun Ghizlane (North Africa)
- SP06-02 Expanding Child and Adolescent Mental Health Services (CAMHS): Experience from the sparsely populated and resource-poor Northern cape province of South Africa
Keith Kiriimi (South Africa)
- SP06-03 Challenges and opportunities in providing child mental health services in non-specialized settings
Chiara Servili (Eritrea)
- SP06-04 Taking advantage of systematic immunization for the screening of mental health problems in pre-school children in Tunisia
Naoufel Gaddour (Tunisia)
- SP06-05 A mental health outreach service to the custodial component of the juvenile justice system in oyo State, Nigeria: Strengths, weaknesses, threats and opportunities (SWOT)
Olayinka.Omigbodun (Nigeria)

SP07 Some challenges in adolescent forensic mental health from Australia and New Zealand

Time: 10:30-12:00
Venue: 305

Chair: Scott.Harden (Australia)

- SP07-01 Disenfranchised adolescent populations and offending-some issues
Hinemoa Elder (New Zealand)
- SP07-02 A new paradigm for adolescent detention centre mental health
Stephen Stathis (Australia)
- SP07-03 The risk of adolescent risk assessment
Scott.Harden (Australia)

WS04 Migration and adolescence

Time: 10:30-12:00
Venue: 303A

Chair: Alikí Grigoriadou (Greece)

- WS04-01 Psychosocial integration and self-perception of immigrant adolescents living in Greece
Alikí Grigoriadou (Greece)
- WS04-02 The contribution of family therapy to the treatment of immigrant adolescent's behavioral problems
Dimitrios Magriplis (Greece)
- WS04-03 Illegal adolescent immigrants and greek mental health services
Konstantia Ladopoulou (Greece)

SP08 Early environmental risks and behavioral problems in children and adolescents

Time: 10:30-12:00
Venue: 303B

Chair: Alina.Rodriguez (Sweden)

- SP08-01 Is growth related to ADHD?
Alina.Rodriguez (Sweden)
- SP08-02 Attention regulation deficits in infants born preterm: Fetal and perinatal processes
Ronny Geva (Asia)
- SP08-03 Attention in premature infants
Judith M. Gardner (United States)
Bernard Z. Karmel (United States)
- SP08-04 Early life predictors of addiction behavior
Marjo-Riita Jarvelin (United States)

WS05 Preschool psychopathology: Translating research findings to clinical practice

Time: 10:30-12:00
Venue: 302A

Chair: Leslie Rescorla (United States)

- WS05-01 Preschool psychopathology: Translating research findings to clinical practice
Leslie Rescorla (United States)

SP09 The 3rd YIBcap Symposium @ IACAPAP: Findings by young investigators in biological child and adolescent psychiatry

Time: 10:30-12:00
Venue: 302B

Chair: Sarah Hohmann (Germany)

SP09-01 Serum BDNF and peripheral indicators of the serotonin system in patients with anorexia nervosa
Roland Burghardt (Germany)

SP09-02 The 5-HTTLPR polymorphism, platelet serotonin transporter activity and platelet serotonin content in underweight and weight-recovered females with anorexia nervosa
Roland Burghardt (Germany)

SP09-03 Differential expression of the serotonin transporter (SERT) and the dopamine transporter (DAT) on developing platelets
Sarah Hohmann (Germany)

SP10 Resting-state fMRI: Algorithms and application to child mental disorders

Time: 10:30-12:00
Venue: 301A

Chair: Yu-Feng.ZANG (Asia)

SP10-01 Resting-state fMRI and Autism Spectrum Disorder
Vesa Kiviniemi (Finland)

SP10-02 Discriminative analysis of resting-state fMRI in ADHD
Chaozhe Zhu (Asia)

SP10-03 Reliable resting fMRI measures and their applications in mental disorders
Xinian Zuo (United States)

SP10-04 Resting-state fMRI in ADHD
Yu-Feng.ZANG (Asia)

SP11 Posttraumatic cognition and self-system processes of traumatic children

Time: 10:30-12:00
Venue: 301B

Chair: Shu-Tsen Liu (Asia)

SP11-01 Examination of psychometric properties of Chinese version of the child post-traumatic cognitions inventory (CPTCI)
Shu-Tsen Liu (Asia)

SP11-02 Process-outcome research on art therapy, drawing book therapy, and sandplay for maltreated children
Yu-Chia Liou (Asia)

SP11-03 Posttraumatic cognition, self-system processes, perceived social support, and resilience of at-risk children and adolescent
Shu-Tsen Liu (Asia)

SP12 Voices of youth

Time: 16:00-17:30
Venue: 311A

Chair: Gordon Harper (United States)

SP12-01 Voices of youth: Turning up the gain
Gordon Harper (United States)

SP12-02 Youth voice in Russia: "Escape from the captivity of time"
Olga Rusakovskaya (Russia)

SP12-03 Youth mental health voices from Iraqi Kurdistan
Abdulbaghi Ahmad (Asia)

SP12-04 Must Nigerian youth continue to speak through displays of anger or acts of violence? Implications for mental health
Olayinka O. Omigbodun (Nigeria)

SP12-05 The voice of parents reared in orphanage care
Nese Erol Belgin ü. Güllü (Turkey)

SP13 Progress of psychotropic treatment in child and adolescent psychiatry

Time: 16:00-17:30
Venue: Auditorium

Chair: Yi Zheng (Asia)
Co-chair: James F. Leckman (United States)

- SP13-01 Atypical antipsychotics in child and adolescent psychiatry: Focus on Schizophrenia & Bipolar Disorders
Liping Xu (Asia)
- SP13-02 Atypical antipsychotics in child and adolescent psychiatry: Focus on Non-Psychotic Disorders
Wenhong Cheng (Asia)
- SP13-03 Psychopharmacology in Autism Spectrum Disorder, reflections from a decade of practice in Cedars Sinai Hospital
Syed Shujat Ali Naqvi (United States)

SP14 Progress of child and adolescent psychopharmacology

Time: 16:00-17:30
Venue: 311B

Chair: Shiji Zhang (Asia)
Co-chair: Xuerong Li (Asia)

- SP14-01 Progress in the pediatric treatment of Affective Disorders and Obsessive Compulsive Disorder
Herman G.M. Westenberg (Netherlands)
- SP14-02 Prospective, naturalistic study of open-label OROS methylphenidate treatment in school-aged children with Attention-Deficit/Hyperactivity Disorder
Yi Zheng (Asia)
- SP14-03 Effectiveness and tolerability of aripiprazole in children and adolescents with Tourette Syndrome-A pilot study of China
Yonghua Cui (Asia)
- SP14-04 The study of the relationship between attention deficit hyperactivity disorder and juvenile delinquency
Xiuping Yan (Asia)

SP15 Viewpoints for improving child mental health in risky families- ESCAP symposium

Time: 10:30-12:00
Venue: Auditorium

Chair: Tuula Tamminen (Finland)

- SP15-01** Children in families with a psychotic parent
Tuula Tamminen (Finland)
- SP15-02** Survivors of suicide
Ruedi Zollinger (Switzerland)
- SP15-03** Child centred family therapy
Jorma piha (Finland)

SP16 The interface of child psychiatry and paediatrics across cultures and settings

Time: 10:30-12:00
Venue: 311A

Chair: Olayinka.Omigbodun (Nigeria)

- SP16-01** Teaching and research at the interface of paediatrics and child psychiatry: Experiences from the UK
Cornelius Ani (United Kingdom)
- SP16-02** Clinicians, cases, and service delivery in a psychiatry consultation service at a tertiary pediatric hospital in the United States
Patricia Ibeziako (United States)
- SP16-03** Psychological effects of chronic hemoglobinopathies in the Mediterranean region: Making a case for routine screening and mental health interventions
Naoufel Gaddour (Tunisia)
- SP16-04** Consultation-liaison child psychiatry in Nigeria: Practices, patterns of referral and patient outcomes
Tolulope Bella (Nigeria)

SP17 School mental health

Time: 10:30-12:00
Venue: 311B

Chair: Geetanjali Chugh (Asia)

- SP17-01** Empowering children and adolescents with school based programs
Geetanjali Chugh (Asia)
- SP17-02** Training teachers in identification and management of mental health problems among children and adolescents
Manju Mehta (Asia)
- SP17-03** Magnitude of problem and role of mental health professionals
Rajesh Sagar (Asia)

SP18 Developmental psychiatry in a developing country

Time: 10:30-12:00
Venue: 310

Chair: Maria Ceiça Rosario (Brazil)

- SP18-01** Residency training-How to prepare child psychiatrists to the challenges of a developmental and translational psychiatry
James Leckman (United States)
- SP18-02** Prevention-Studies designed to investigate "at risk" school age children
Luis Augusto Rohde (Brazil)
- SP18-03** An epidemiological mental health study of Brazilian students
Marcos Mercadante (Brazil)
- SP18-04** The impact of a teacher training program on the early recognition of "at risk" children
Maria Ceiça Rosario (Brazil)

SP19 International perspectives on child abuse and maltreatment

Time: 10:30-12:00
Venue: 309A

Chair: Siham.Muntasser (United States)

- SP19-01 Introduction
Siham.Muntasser (United States)
- SP19-02 Abuse of trust: Institutional child abuse in Ireland
Norbert Skokauskas (Ireland)
- SP19-03 Prevalence and influencing factors of poly-victimization in Chinese juveniles
Feng-Lin Cao (Asia)
- SP19-04 Children fighters in Iraq
Muhammad Lafta (Asia)
- SP19-05 Enhancing parental participation and mental health capacity within the child welfare and protective systems: US perspectives
Gordon Harper (United States)
- SP19-06 Child abuse in Israel
Alan Apter (Asia)

SP20 Global perspective on Autism Spectrum Disorders: Variation in rates, gender and IQ distribution, outcome and need for socio-culturally appropriate assessments

Time: 10:30-12:00
Venue: 309B

Chair: Kerim.Munir (United States)

- SP20-01 Developing a global scientific framework on Autism Spectrum Disorders
Kerim Munir (United States)
- SP20-02 Importance of better characterization of gender and IQ distributions in Autism Spectrum Disorders
Elise Robinson (United States)

SP20-03 Differences in outcome and developmental trajectories in Autism Spectrum Disorders
Nahit Mukaddes Motavalli (Turkey)

SP20-04 Prenatal factors and geographical differences in Autism Spectrum Disorders rates
Dennis Kinney (United States)

SP20-05 Agreement between clinicians and caregivers assessment of intelligence in Nigerian children in Sub-Saharan Africa
Muideen Bakare (Nigeria)

SP21 Preschool epidemiology: CBCL findings from Singapore, Korea, China, and the United Arab Emirates

Time: 10:30-12:00
Venue: 307A

Chair: Leslie.Rescorla (United States)

- SP21-01 Preschool epidemiology: CBCL findings from Singapore, Korea, China, and the United Arab Emirates
Leslie.Rescorla (United States)
- SP21-02 Behavioral and emotional problems among Singaporean children between 1.5 to 5 years of age
Yoon Phaik Ooi (Asia)
- SP21-03 Sensitivity and specificity of the Korean CBCL/1.5-5
Young Ah Kim (Asia)
- SP21-04 Behavioral and emotional problems in Chinese preschoolers: Findings from the Jintan Child cohort study
Jianghong Liu (United States)
- SP21-05 Socio-cultural determinants of behavioral and emotional problems among 3-year old children in the United Arab Emirates (UAE)
Valsamma Eapen (Australia)

WS06 When a teenager chooses death-A culturally informed perspective

Time: 10:30-12:00
Venue: 307B

Chair: Ayesha.Mian (United States)

WS06-01 Teen suicidal behaviour in the United States-An ethno-cultural perspective

Ayesha Mian (United States)

WS06-02 Youth suicidal patterns in Asia

Murad Khan (Asia)

WS06-03 Youth suicide prevention program in China-Successes and challenges

Michael Phillips (United States)

SP22 Recent issues in French child and adolescent psychiatry

Time: 10:30-12:00
Venue: 306A

Chair: Jean-Philippe.RAYNAUD (France)

SP22-01 Mental health disorders and Prader-Willi Syndrome

Anne-Catherine Rolland (France)

SP22-02 Does psychodynamic-oriented psychological assessment predict transition to schizophrenia at eight-year follow-up in adolescents hospitalised for a manic/mixed episode?

David Cohen (France)

SP22-03 Assessing worry domains and quality of life in a population of adolescents with an idiopathic nephrotic syndrome

Bertrand Olliac (France)

SP22-04 Sleep disturbances in Autism Spectrum Disorders: Relationship to autism core symptomatology

Carmen Schroder (France)

SP23 The role of parental risk factors for child and adolescent internalizing problems: Findings from three prospective population-based studies

Time: 10:30-12:00
Venue: 306B

Chair: Wendy.Nilsen (Norway)

SP23-01 Alcohol use and non-response in a population based health survey

Fartein Ask Torvik (Norway)

SP23-02 The impact of parental alcohol abuse on the mental health of the offspring

Kamilla Rognmo (Norway)

SP23-03 Maternal symptoms of distress in toddlerhood and later adolescent depression symptoms: The moderating role of social competence

Wendy Nilsen (Norway)

SP23-04 The role of pre-and postnatal timing of psychosocial risk on internalizing problems at the age of three

Mona Bekkhus (Norway)

SP24 Child and adolescent psychiatry training in Asian: Bridging the needs of high and low resource countries

Time: 10:30-12:00
Venue: 305

Chair: Tjhin Wiguna (Asia)

SP24-01 Child and adolescent psychiatry consultant training in indonesia: Challenging issues nowadays

Tjhin Wiguna (Asia)

SP24-02 Evolving trends in child & adolescent psychiatry training in Singapore

Say How Ong (Asia)

SP24-03 Qualification as being a child psychiatrist in Japan

Keiko Yoshida (Asia)

SP24-04 Education and training of child and adolescent psychiatry in China: Current state and challenge

Yanqing Guo (Asia)

SP25 Dimensional assessment of the autistic phenotype

Time: 10:30-12:00
Venue: 303A

Chair: Kelly Lai (Asia)

- SP25-01** Evaluation of Autism Spectrum Disorders for clinical and research purposes: Combining information from the 3DI and ADOS
David Skuse (United Kingdom)
- SP25-02** Novel and efficient computerized methodologies for increasing validity and reliability of psychiatric interviewing: The short 3DI
Richard Warrington (United Kingdom)
- SP25-03** Experience of using the Chinese 3DI (the Developmental, Dimensional and Diagnostic Interview) in Hong Kong (I)
Kelly Y.C. Lai (Asia)

SP26 Early detection and interventions for the children of Pervasive Developmental Disorders

Time: 10:30-12:00
Venue: 303B

Chair: Sadaaki.Shirataki (Asia)

- SP26-01** Use of brief infant and toddler social emotional assessment as a screening tool for children with autism
Yoko Kamio (Asia)
- SP26-02** Identification and interventions for the children of Autism Spectrum Disorders in Korea
Jae-Won Kim (Asia)
- SP26-03** Use of brief infant and toddler social emotional assessment as a screening tool
Yu-Yu Wu (Asia)
- SP26-04** Use of MCHAT as a screener to expedite services for children with Autistic Spectrum Disorder (ASD) ? A Singapore experience
Lim Sok Bee (Asia)

CS03 Anxiety and Tic Disorders in children with ADHD-Evidence based evaluation and management

Time: 10:30-12:00
Venue: 302A

Chair: Dongmei Yue (United States)

- CS03-01** Tic Disorder in children with ADHD
Shannon Shi (United States)
- CS03-02** Anxiety Disorder in children with ADHD
Dongmei Yue (United States)

SP27 Collaboratory Asian research on Tourette Syndrome

Time: 10:30-12:00
Venue: 302B

Chair: Yukiko.Kano (Asia)

- SP27-01** The pharmacotherapy of Tourettes Syndrome in China: Review and prospect
Yi Zheng (Asia)
- SP27-02** Performance on child eyes test in Taiwanese Tourette Syndrome patients
Huei-Shyong Wang (Asia)
- SP27-03** Tourettes Disorder research and parents association activities in Korea
Soo-Churl Cho (Asia)
- SP27-04** Relationship between OC symptoms and neuropsychological findings in Japanese patients with Tourette Syndrome
Yukiko.Kano (Asia)

WS07 Conduct and oppositional defiant disorder

Time: 10:30-12:00
Venue: 301A

Chair: Donald DeMoulin (United States)

WS07-01 Aggressive behavior: Pathway to destructive, anti-social mannerisms and mental dysfunction
Donald DeMoulin (United States)

SP28 Identification of developmental dyscalculia and dyslexia in China

Time: 10:30-12:00
Venue: 301B

Chair: Hua Shu (Asia)

SP28-01 Cognitive factors correlated with children's calculation ability
Xinlin Zhou (Asia)

SP28-02 Developing a web-based testing platform for the identification of developmental dyscalculia
Joey Tang (Asia)

SP28-03 Early prediction of poor readers in China
Hua Shu (Asia)

SP28-04 The character decoding errors of Chinese children with dyslexia
Alice Lai (Asia)

SP29 Self-destructive behaviors in adolescence in the era of globalization

Time: 16:00-17:30
Venue: 311A

Chair: Alan.Apter (Asia)

SP29-01 Therapeutic assessment for adolescents presenting with self harm
Dennis.Ougrin (United Kingdom)

SP29-02 Near fatal attempters-psychological characteristics
Alan.Apter (Asia)

SP29-03 Are culture and enculturation protective factors against deliberate self harm?
Norbert.Skokauskas (Ireland)

SP29-04 Cultural versus global aspects on self-destructive behaviour
Taner.Güvenir (Turkey)

WS08 The Developmental, Dimensional and Diagnostic Interview (3DI): A computerized assessment for Autism Spectrum Disorders(1)

Time: 16:00-17:30
Venue: 311B

Chair: David Skuse (United Kingdom)

WS08-01 Introduction to the 3DI, reliability and validity
David Skuse (United Kingdom)

WS08-02 Administration of the 3DI, interpretation of results, and export of data for audit and statistical analysis
Richard Warrington (United Kingdom)

WS09 Problem based learning in child and adolescent psychiatry

Time: 10:30-12:00
Venue: Auditorium

Chair: Norbert.Skokauskas (Ireland)

- WS09-01** Implementation of problem-based learning (PBL) in child and adolescent psychiatry (CAP)
Norbert Skokauskas (Ireland)
- WS09-02** Problem-based learning in CAP in Malaysia
Susan Tan (Asia)
- WS09-03** Outcomes of problem based learning in CAP
Anthony Guerrero (United States)
Norbert Skokauskas (Ireland)
- WS09-04** Problem based learning in CAP at the university of warwick (UK)
Moli Paul (United Kingdom)
- WS09-05** Problem based learning curriculum in CAP residency
Cynthia Santos (United States)

SP30 Continued medical education (CME) in child & adolescent mental health: Awareness and new pathways

Time: 10:30-12:00
Venue: 311A

Chair: Joaquín Fuentes (Spain)

- SP30-01** CME in our field: Needs, challenges and alternatives
Fuentes Joaquín (Spain)
- SP30-02** CME for professionals and paraprofessionals in child and adolescent mental health
Omigbodun Olayinka (Nigeria)
- SP30-03** Awareness of diversity in practice and culture: Its positive impact on child psychiatric continue medical education
Zheng Yi (Asia)
- SP30-04** New pathways for CME in a global XXI century world
Martin Andrés (United States)

SP31 Autistic Spectrum Disorders and nosology for neurodevelopmental disorders

Time: 10:30-12:00
Venue: 311B

Chair: Bryna.Siegel (United States)

- SP31-01** What a diagnostic classification system for Autistic Spectrum Disorders could do
Bryna Siegel (United States)
- SP31-02** Issues in specificity, diagnostic substitution and co-morbidity in Autistic Spectrum Disorders
Eva Ihle (United States)
- SP31-03** Endophenotypic classification and examination of responder characteristics in clinical trials in the Autistic Spectrum Disorders
Robert Hendren (United States)
- SP31-04** Discussant: ASDs and nosology for neurodevelopmental disorders
Bennett Leventhal (United States)

SP32 Mood Disorders in children and adolescents: Ways to assess and understand symptoms and start treatment

Time: 10:30-12:00
Venue: 310

Chair: Nina.Sproeber (Germany)

- SP32-01** Children's depression rating scale-revised (CDRS-R): Development of a German version and psychometric properties in a school sample
Michael Koelch (Germany)
- SP32-02** Measurement equivalence of the center for epidemiological studies depression scale in boys and girls during adolescence
Ferdinand Kelle (Germany)
- SP32-03** How suicidal is nonsuicidal self-injury?
Paul Plener (Germany)

Saturday, June 5, 2010

(Symposium / Workshop / Course)

SP32-04 Beliefs about antidepressants in children and parents: A modified version of the medical belief questionnaire in a German school-study
Michael Koelch (Germany)

SP32-05 Development and evaluation of the psychosocial intervention "MICHI" for youths with depressive symptoms: A pilot study
Nina.Sproeber (Germany)

SP33 Recent advances in ADHD research

Time: 10:30-12:00
Venue: 309A

Chair: Herbert Roeyers 179 (Belgium)

SP33-01 Temperament and self-regulation in children with ADHD or Autism Spectrum Disorder
Vicky Samyn (Belgium)

SP33-02 Are circadian factors different in children with ADHD? A naturalistic approach
Lindita Imeraj (Belgium)

SP33-03 Reward processing deficits in adolescents with ADHD or Autism Spectrum Disorder
Ellen Demuri (Belgium)

SP34 Pediatric Obsessive Compulsive Disorder (OCD): Neurobiological, environmental, and treatment aspects

Time: 10:30-12:00
Venue: 309B

Chair: Tord Ivarsson (Sweden)

SP34-01 Neurobiological aspects of pediatric OCD: Some preliminary data from a 1H magnet resonance spectroscopy study
Tord Ivarsson (Sweden)

SP34-02 Longterm outcome of OCD symptoms and impairment across 3 years in a five year cohort
Karin Melin (Sweden)

SP34-03 The rationale, design and treatments of the Nordic longterm OCD treatment study (NordLOTS)
Kitty Dahl and Bernhard Weidle (Norway)

SP34-04 Some preliminary outcome findings of the NordLOTS first step
Nor Christian Torp (Norway)

SP34-05 Family aspects of childhood OCD and treatment outcome
Bente Storm Haugland Mowatt (Norway)

WS10 Difficult moments in ADHD Treating ADHD beyond NICE and European guidelines

Time: 10:30-12:00
Venue: 308

Chair: Sachin Sankar (United Kingdom)

WS10-01 Treating and managing ADHD in preschool children disability, Tic and Tourettes Disorder and Epilepsy
Sachin Sankar (United Kingdom)

WS10-02 Transition to adulthood in ADHD patients
Imran Mushtaq (United Kingdom)

WS10-03 Dealing with side effects including, sleep disorders, failure to grow, cardiac arrhythmias, fatigue in ADHD patients
Somnath Banerjee (United Kingdom)

WS10-04 Treating ADHD co-morbid with Autism, Learning Disability, Tic and Tourettes Disorder and Epilepsy
Senerath Perera (United Kingdom)

SP35 The prevalence of Autism Spectrum Disorder-East meets West

Time: 10:30-12:00
Venue: 307A

Chair: Luke.Tsai (United States)

SP35-01
Luke.Tsai (United States)

SP35-02
Yu-Yu Wu (Asia)

SP35-03 The prevalence of ASD in part area of Asia
Jing Liu (Asia)

SP36 Confluent perspectives: A multidisciplinary approach to treating children with Autism Spectrum Disorder(1)

Time: 10:30-12:00
Venue: 307B

Chair: Susan Sherkow (United States)

- SP36-01 Confluent perspectives: A multidisciplinary approach to treating children with Autism Spectrum Disorder(1)
Susan Sherkow (United States)
- SP36-02 Confluent perspectives: A multidisciplinary approach to treating children with Autism Spectrum Disorder(1)
Joseph Buxbaum (United States)
- SP36-03 Confluent perspectives: A multidisciplinary approach to treating children with Autism Spectrum Disorder(1)
Alexandra Harrison (United States)
- SP36-04 Confluent perspectives: A multidisciplinary approach to treating children with Autism Spectrum Disorder(1)
Rachel Gorman (United States)

SP37 ADHD and its co-morbidities (1)

Time: 10:30-12:00
Venue: 306A

Chair: Iris Manor (Asia)

- SP37-01 Possible association between ADHD, and attempted suicide in adolescents-A pilot study
Iris Manor (Asia)
- SP37-02 Genetic studies of ADHD: Shared genes contribute to ADHD and comorbid disorders
Cathy Barr (Canada)
- SP37-03 ADHD comorbid with aggression: Serotonin transporter and vasopressin 1B genes
Jim Kennedy (Canada)
- SP37-04 Comorbidity of ADHD & Neurodevelopmental Disorders
Nahit Motavalli Mukaddes (Turkey)
- SP37-05 Overlap between ADHD and Autism Spectrum Disorders, phenotype, endophenotype and genotype
Jan Buitlaar (Netherlands)

SP38 Severe disorder of mood regulation in children and adolescents

Time: 10:30-12:00
Venue: 306B

Chair: David Cohen (France)

- SP38-01 Temperamental characteristics of adolescent with Bipolar Disorders
Jean Marc Guile (Canada)
